## 2013 CLIFF LEDE CABERNET SAUVIGNON, DIAMOND MOUNTAIN

### Vintage

An early, even growing season led the way to an excellent vintage in 2013. A warm, dry spring brought early bud break and uniform vine growth. June's warm end led to an early and even veraison, followed by steady maturation during the temperate late summer and early fall. Ideal weather, with no detrimental heat spikes or rain events, allowed us to harvest individual vineyard blocks at optimal ripeness with no constraints. Yields were plentiful, due to the favorable weather during bloom, but berries remained small, resulting in wines of exceptional depth and concentration. Slow ripening retained acidity, creating wines that are balanced, profound, and beautiful.

### Vineyards

Our Diamond Mountain Cabernet Sauvignon comes from an exceptional, low-yielding vineyard with volcanic ash and gravelly loam soils in the Diamond Mountain appellation, nestled into the Mayacamas Range on the northwest side of Napa Valley. The sun-drenched mountain vineyard has northeastern exposure and late afternoon breezes that ripen the fruit slowly and evenly. Planted and farmed by David Abreu Vineyard Management, this extraordinary site of old vines planted on a steep incline with a historic Napa field selection produces an age-worthy Cabernet Sauvignon with dark fruit, intense structure, minerality, and perfume.

### Winemaking

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting edge optical sorter, with a goal of eliminating less-than-perfect berries. The berries were gently gravity-delivered to tank using our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted five days and fermentations were managed via a combination of *délestage*, punch downs and pump overs. Extended maceration for four weeks fine-tuned our tannin profiles. The wine underwent twenty-one months of *élevage* in French oak, 80% new.

### Winemaker Notes

A deep, dark purple in color, this extraordinary mountain Cabernet offers loads of Pauillac-like aromas of graphite, cedar, cassis, and blackberry. Layered in with these classic scents are a lovely array of powdered cocoa, black fig, and tobacco. The essence of terroir is echoed in the gravelly loam and pine forest notes that appear in the generous aromas and flavors. The long opulent palate tastes of liquefied minerals and possesses a voluptuous velour-like texture. Lucky imbibers of this rare elixir are privy to a wine made from a legendary site in an epic vintage. — Christopher Tynan, Winemaker

### Analysis

Composition:	92% Cabernet Sauvignon, 8% Merlot
Alcohol:	15.0%
Bottling Date:	July 2015
Release Date:	December 2016
Production:	466 Cases
