## 2016 CLIFF LEDE CABERNET SAUVIGNON, DIAMOND MOUNTAIN

### Vintage

The 2016 vintage continued a series of exceptional vintages in Napa Valley. Another drought year, 2016 began with a dry winter, followed by a warm, frost-free early spring with just enough rainfall to fill the soil profile, leading to an early budbreak with resources to develop healthy canopies. The vintage progressed at a leisurely pace due to moderate temperatures throughout most of the remaining growing season. Crop levels were slightly below average due to a dry late spring and a cool weather spell during flowering. The dry soils led to small berries, creating very concentrated fruit. With lovely summer weather, grapes were harvested at optimal ripeness and the resulting wines have generous fruit with intensity and vibrancy.

### Vineyards

Our Diamond Mountain Cabernet Sauvignon comes from exceptional, low-yielding vineyards with volcanic ash and gravelly loam soils in the Diamond Mountain appellation, nestled in the Mayacamas Range on the northwest side of Napa Valley. The sun-drenched mountain vineyards have late afternoon breezes that ripen the fruit slowly and evenly. Both sites are planted to extraordinary old vines on a steep incline with historic Napa field selections and produce age-worthy Cabernet Sauvignon with dark fruit, intense structure, minerality, and perfume.

### Winemaking

Hand harvested in the cool early morning hours, the fruit was immediately subjected to rigorous selection by our three-tiered sorting process, including our cutting edge optical sorter, with a goal of eliminating less-than-perfect berries. The berries were gently gravity-delivered to tank using our distinctive crane system, minimizing disruption of berry integrity. Cold soaks lasted five days and fermentations were managed via a combination of *délestage*, punch downs and pump overs. Extended maceration for four weeks fine-tuned our tannin profiles. The wine underwent twenty-one months of *élevage* in French oak, 78% of which were new.

### Winemaker Notes

The amazing 2016 Diamond Mountain's bouquet is resplendent with cool wild blackberry jam scented with subtle notes of bay leaf, cardamom, clove and talc. There's an interplay of rocks and loam in the nose as well. Spiced fig, chocolate ganache, and blueberry flavors unfold on the palate underscored by blackberry and graphite notes. Like all of our 2016 wines, this wine has an expansive, mouth coating texture that is lush and joyfully persistent. The crescendo of the finish is a wash of savory cumin power, cedar, and violet flavors and aromas completing this wine of contemplation. – Christopher Tynan, Winemaker

### Analysis

|                |  |
|----------------|--|
| Composition:   | 97% Cabernet Sauvignon, 2% Cabernet Franc, 1% Merlot |
| Alcohol:       | 14.9%  |
| Bottling Date: | July 2018  |
| Release Date:  | December 2019  |
| Production:    | 750 Cases  |
