2019 CLIFF LEDE CABERNET SAUVIGNON, BECKSTOFFER TO KALON VINEYARD, NAPA VALLEY

Vintage

The 2019 vintage was a magnificent year for Napa Valley. A frost-free and uniform bud break was followed by a cool wet spring that included three inches of rain in May. Luckily, the rain didn't affect set and the weather turned warm and sunny for the duration of spring. Welcome warm nights in June, July, and August caught maturation back on schedule. Summer conditions were moderate, with warm days and cool nights, ideal for slow and steady grape maturation. The wine shows exceptional balance with concentrated, ripe fruit complemented by bright acidity and supple, yet intense, structure. Optimal ripeness was achieved thanks to an early autumn of consistently warm, but not hot, days. The pristine ripening conditions allowed for very intense fruit flavor concentrations.

Vineyard

Situated on the western Oakville bench, the celebrated Beckstoffer To Kalon Vineyard has gravelly loam soils with high mineral content derived from sedimentary deposits of the volcanic Mayacamas Mountains and the alluvial fan of the Napa River. The vineyard has low organic matter content and thorough drainage, which devigorates the vines and produces small berries that are ideal for wines with intense concentration. The site is warm and sunny throughout the day, but cooled by late afternoon breezes, producing ripe Cabernet Sauvignon with lovely acidity. The blocks that make up our blend represent a diverse array of the Beckstoffer To Kalon terroir and clonal selection, creating a unique and extraordinary wine from this critically praised site.

Winemaking

In the cool darkness of night, grapes were hand-picked into twenty-five pound bins to minimize crushing. By early morning, the grapes were subjected to rigorous selection by our three-tiered sorting process which includes our cutting-edge optical sorter, and a slow, individual berry hand sort. The fruit was gently gravity-delivered to small tanks and wooden *cuvées* by our unique crane system which kept the berries intact. Cold soaks lasted from five to eight days, and fermentations were managed through a combination of pump overs and *délestage*. Extended maceration of up to six weeks ensured exceptional extraction and fine-tuning of tannin profiles. This wine underwent twenty-one months of *élevage* in French oak barrels, 78% of which were new.

Winemaker Notes

The deep dark ruby colored 2019 Beckstoffer To Kalon boasts a brooding perfume of sultry violets, wild blackberry, and black figs. Red currant, black cherry, and mulberry preserve flavors dominate the entry tinged with cool menthol and bay laurel notes. Hallmark accents of gravelly loam, graphite, and crème de cassis open along the fresh finish and linger long after tasting. This multilayered wine will continue to open and gain immense depth and length with proper cellaring. – Christopher Tynan, Director of Winemaking

Analysis

Composition: 100% Cabernet Sauvignon
Alcohol: 14.4%
Production: 721 cases
Bottling Date: July 2021
Release Date: May 2022
