2024 Cliff Lede Sauvignon Blanc, Napa Valley

Our Sauvignon Blanc is a lively, yet elegant, expression of this varietal that gathers its complexity from both the diversity of terroir running north to south in the Napa Valley and from the inclusion of the rich and unctuous Sémillon grape. This blend includes Sauvignon Blanc and Sémillon from our estate vineyards in Calistoga, Stags Leap District, and Carneros. A grower vineyard in eastern Rutherford is home to old vines planted to a heritage Musqué clone that provides density, richness, and lemon citrus notes. Finally, old vine Sémillon from another site in Calistoga gives the wine an expansive mouth-coating richness that is the hallmark of our style.

“The lovable 2024 vintage of our Sauvignon Blanc offers complex hints of lime sherbet, honeysuckle, lemon curd, and orange blossom that are fragrant and complex. The flavors and aromas are built on a fleshy, succulent frame, with notes of nectarine, pear, and ripe honeydew melon. Harmonious with a thread of acidity on the finish, this vibrant wine dazzles with its refreshing appeal.”
